

BeesMont Law Limited Helps CrossTower Acquire Digital Asset Business Licence

BeesMont Law Limited would like to congratulate CrossTower Bermuda Ltd. for successfully acquiring a Class M Digital Asset Business Act Licence issued by the Bermuda Monetary Authority. This new licence authorises CrossTower to operate in Bermuda as a digital asset exchange and provide custodial wallet services. CrossTower is a new exchange operator founded by capital markets veterans on a mission to mainstream digital asset investing and trading. BeesMont Law Limited's Technology & Innovation Team advised and assisted CrossTower in obtaining its Bermuda licence.

BeesMont Law provides advice and legal support with respect to the establishment, regulatory, compliance, and business operations of digital asset business companies in Bermuda.
