Press Release | 27 August 2024

BeesMont Law Limited assists The Bermuda Stock Exchange in an investment led by Warburg Pincus in its parent company, Miami International Holdings, Inc.

Hamilton, Bermuda 27 August, 2024 – The Corporate and Technology & Innovation Teams at BeesMont Law Limited (**BeesMont Law**), a leading boutique commercial law firm, assists The Bermuda Stock Exchange (**BSX**) on Warburg Pincus investment.

BeesMont Law would like to congratulate Miami International Holdings, Inc. (**MIH**), in respect of the \$100 million investment by Warburg Pincus, a leading global growth investment firm. MIH is a leading US financial exchange and execution services firm. This new investment will accelerate the next phase of MIAX's global expansion across multiple asset classes and geographies, including in the BSX, a subsidiary of MIH.

BeesMont Law Limited's Corporate and Technology & Innovation Teams advised and assisted the BSX in negotiating arrangements for the financing. The Team was led by Head of Corporate, [Sharon A. Beesley](#), who was recently ranked this year by the prestigious law firm directory, Chambers and Partners, in its [Global Guide 2024](#). Another notable member of BeesMont Law involved in this advisory matter was Senior Corporate Counsel, [Bourm Collier](#).

Ms. Beesley articulated the Technology & Innovation Team's support for the BSX, stating:

"We are delighted to have assisted The Bermuda Stock Exchange in connection with their participation in this recent financing of their parent group and to generally contribute to the expansion of operations. The proposed structure involved novel security concepts which will lead to innovative future practice. Bermuda, as an offshore jurisdiction, continues to provide a home to innovative global fintech businesses."

BeesMont Law provides advice and legal support with respect to the establishment, regulatory, compliance, and business operations of fintech business companies in Bermuda.
